Damn! Presumptuous! Those guys are playing with fire! If they don't stop on the stop on the precipice, they'll be doomed to be immolated!
You know quite some big words
Ling, speak now Do you still plan to reclaim them like a saint this afternoon? Or we can just tell the principal
Of course we can't tell the principal
but this time

You'd better beat them
hard enough to temporarily disable them

It's been two years since I saw those eyes on you last time
Did you mean

I should waste them?

Not now, let's see what happens here first.

You don't know how critical it was!
Lei almost reached up there.
